## *P*incipal's Report

### **Privilege Treats**

Congratulations to those students who have reached Bronze and Silver levels. Two special events for Bronze and Silver Privilege students took place last week.

Last Wednesday, 30th October, Bronze students were invited to morning tea hosted by our staff.

On Thursday, 31st October and on Friday, 1st November, Silver badge students went in two groups to the Kandos Mountain View Bakery and enjoyed morning tea and an outing.

### **Assemblies**

# 1 - Our Week 4 Assembly will take place at 12.30pm this Friday, 8th November in the COLA area. Class 4/5 Lyrebirds will be organising and running this assembly.

# 2 - A Remembrance Day assembly will take place in the COLA area next Monday, 11th November. The assembly will be held at the special time of **10.30am** and will be organised and run by Class 2/3 Wombats.

### **Thank you**

World Teachers' Day is a day of recognition for teachers, celebrated on the 5th October each year. This day came and went, as it occurred in the middle of our holidays. A busy new term soon arrived and no thought was given to this special occasion. What a lovely surprise it was for staff to find magnificent cakes and a beautiful card arrive in the staffroom on Friday, 25th October. The surprise was organised by parent, Mrs Suzanne Bisley with the help of cake maker extraordinaire, Donna Nelson (from Donna's Toppers - Cakes & Cake Toppers). Sincere thanks you to Suzanne and Donna being so thoughtful and lifting our spirits with this wonderful surprise and thoughtful message.

### P&C Meeting - 11/11

The November meeting of the P&C will take place next Monday, 11th November in the library at 3.30pm. I look forward to seeing you there

### Baby News!

Our congratulations go to Mr & Mrs Tincknell on the safe arrival of their son, Luca Henry. A lovely little brother for Ashton. Best wishes to the Tincknell family. We look forward to a visit from them soon.

### New Artwork

Kandos Public School has added a beautiful new artwork by local artist, Georgie Pollard. If you haven't seen it yet it's an amazing sketch in the form of a circular map showing some of our region's iconic areas. The work was gifted to the school by a local family to show their appreciation to our 'small school with a big heart, nestled below Coomber Melon Mountain'.

Students have been interacting with the work, using their fingers to mimic car trips to various places around the region. It is currently being displayed in the foyer of the school and everyone is welcome to have a look.

### M3 MATHEMATICS CHALLENGE

Stage 3 students - Willow Connellan, Alex Grimshaw, Tansy Fisher and Amia Jupp participated in the M Cubed Mathematics Challenge on Tuesday, 29th October. The event took place at St Matthews Catholic School in Mudgee. Students were required to complete an individual speed challenge, a maths styled crossword, a maths relay and a geometry challenge dealing with area and perimeter. Our school representatives worked well as a team and showed great stamina moving from the challenge of one event to the next. They are to be congratulated on representing our school so positively and demonstrating great mathematical prowess.

Results on the day were:

- 1st - St Marys, Wellington
- 2nd - Mudgee Public School
- 3rd - Cudgegong Valley Public School

# Tuning in to Kids

## Emotionally Intelligent Parenting

A six session parenting program for parents of children aged (0 to 12 years)

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop *emotional intelligence*. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!
